Exhibit Profile

**Access control systems**
- Alarm systems
- Annunciators
- Access control systems
- Alarm systems
- Access control systems
- Access control systems

**Fire protection**
- Fire alarm
- Smoke detectors
- Smoke alarm
- Intruder alarm

**Firefighting**
- Fire extinguisher
- Fireproof
- Firefighting equipment

**Security**
- Access Control System
- Fire alarm
- Smoke detectors
- Smoke alarm
- Intruder alarm

**Rescue equipment**
- Heavy Rescue Equipment
- Marine fire protection
- Long range photobeam smoke detectors
- Linear Heat detection systems

**Safety**
- Security Locks, Fitting & Seals
- Security Control Stations
- Security Control Stations
- Security Locks, Fitting & Seals

**Health**
- Medical equipment
- Medical equipment
- Medical equipment

INDO FIREX 2015 is the only prevent event that delivers end-users, specifiers, regulators, installers, consultants, retailers and specifiers.

**Here’s Why You Can Benefit From Indo Firex 2015 Expo & Forum**

Fire protection is the most important aspect in the fire protection program. Good planning in fire prevention activities will be able to save billions of dollars and the lives of human beings due to fire. One of the main causes of the occurrence of fire on a wide range of industries is unsafe actions or conditions the environment is not good. By correcting the unsafe actions and the conditions of work environment then causes the occurrence of fires can be reduced.

Fire Protection Program requires investment both fire equipment, fire personnel, time and other costs that are large enough for company, however this can be in the justification by showing evidence of the loss caused by the fires. Investments that are cultivated for fire prevention program is much simpler when compared to the losses that can occur as a result of the fire.

INDO FIREX 2015 Expo & Forum will display latest technological advancements of equipments, materials, services and techniques in the Fire Protection, Rescue, Safety and Health sectors. It provides opportunities to overseas exhibitors to interact with local entrepreneurs for joint ventures, transfer of technologies and make new business contacts.
