

Rocky Mountain Chapter of the Society of Fire Protection Engineers

2008-2009 Chapter Membership Registration

SFPE Rocky Mountain Chapter (SFPE-RMC) membership is open to all persons interested in fire protection. Individuals who join as Chapter Members shall also be registered members of the international Society of Fire Protection Engineers (SFPE), and are permitted to vote in Chapter affairs. Individuals who join as Chapter Friends need not be registered members of SFPE, and are not permitted to vote in Chapter affairs. Membership in SFPE-RMC does not automatically constitute membership in the international SFPE. Individuals joining the international SFPE organization for the first time may be eligible to have their annual dues to SFPE-RMC waived by naming RMC-SFPE as their Source on the national SFPE membership application. **NEW!** Chapter membership dues for international SFPE members are reduced to \$15.
